SALONE NAUTICO VENEZIA

ARSENALE
18 - 23 JUNE 2019

www.salonenautico.venezia.it

In 2019 Venice gets back to organizing an **International yearly exhibition** devoted to **BOATING**, involving local, national and international partners

Seat of the Exhibition is the **ARSENALE**, a symbol of the “Serenissima” Republic power and military prowess, the heart of its naval industry

An incomparable, historical context in the centre of Venice, made of a water basin (50.000 sq metres) and pavilions, with approximately 6.000 sq metres of space.

Venice access points

Marco Polo International Airport
Third in Italy for scheduled passengers. Every week more than a 1000 scheduled flights and 122 international destination link Venice to the main European cities.

Santa Lucia Railway Station
It is served by a lot of direct connections, even at high speed, with the main Italian and foreign cities

Venice car parks
In Piazzale Roma and Tronchetto. They offer over 7,000 parking spaces

**Salone Nautico
Arsenale**

Venezia Lido Aerodrome
Beautifully located just a few minutes by water taxi from Arsenale, Nicelli Aerodrome is one of Europe's most delightful city airports, and its terminal building is a strikingly handsome design dating to 1935

Arsenale access points

3. Arsenale Nord
Celestia - Bacini

2. Castello est
Giardino delle Vergini

1. Riva degli Schiavoni
Rio dell'Arsenal
Padiglione delle Navi

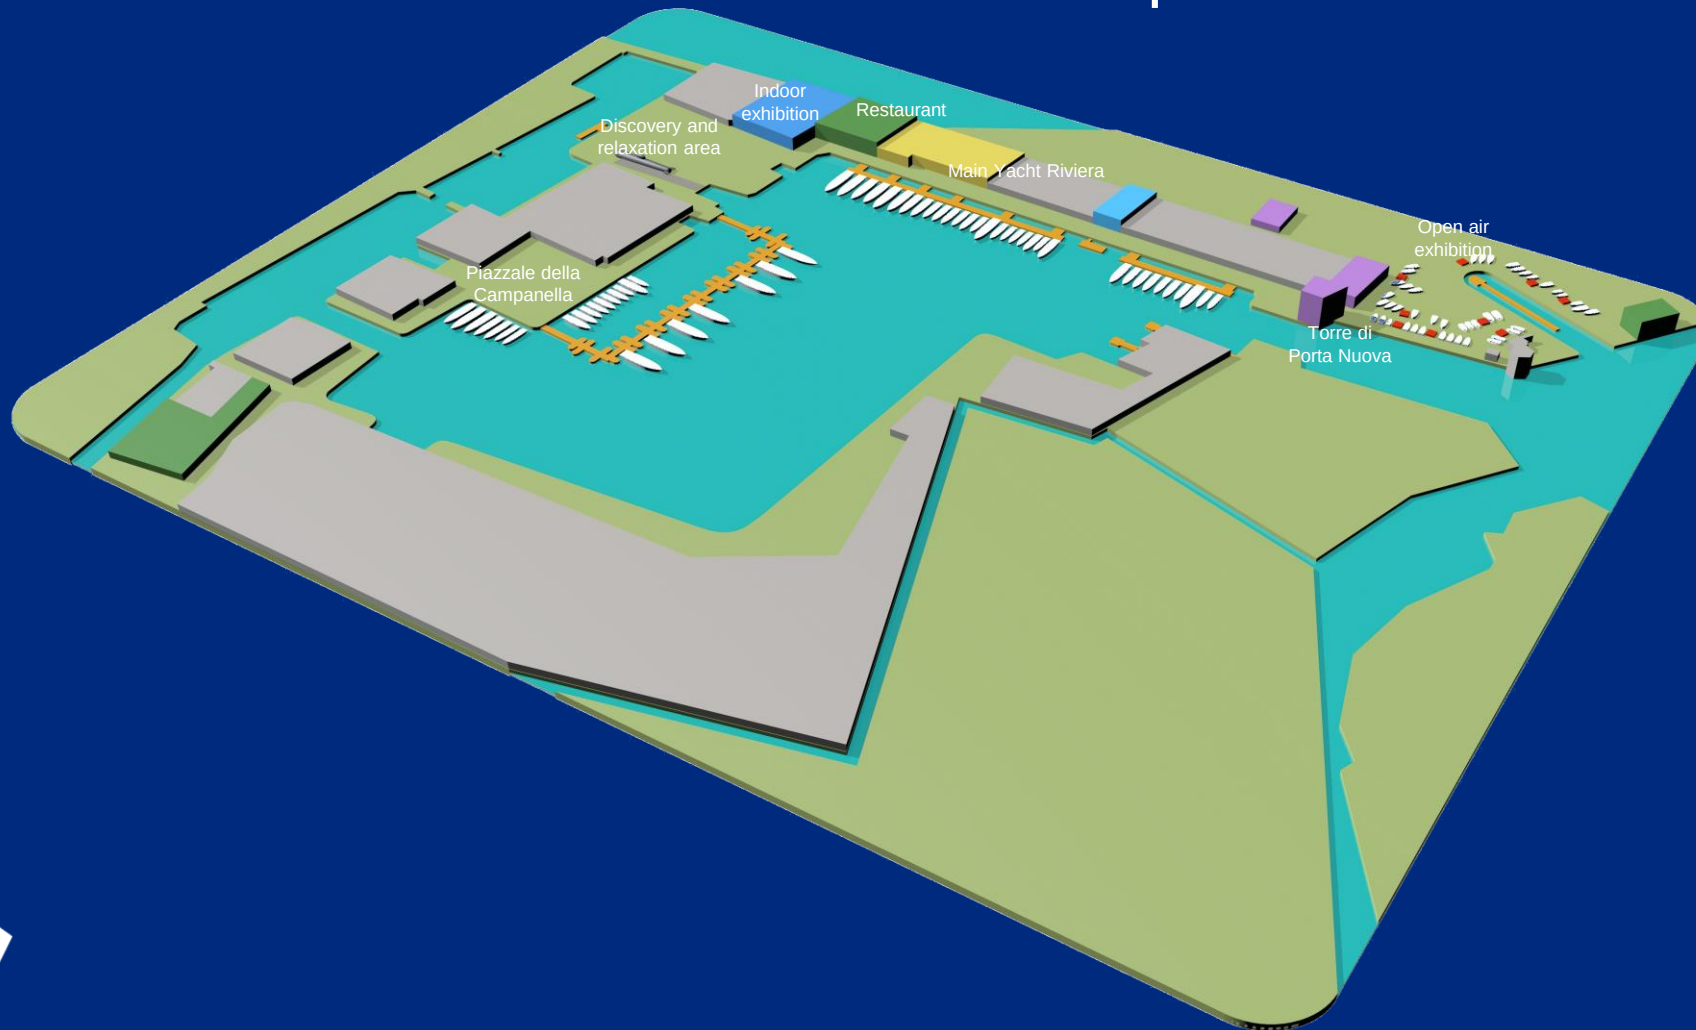

The water basin:

- 40.000 sq metres for exhibitions on water
- More than 1.000 meters of wharfs and piers
- More than 100 moorings

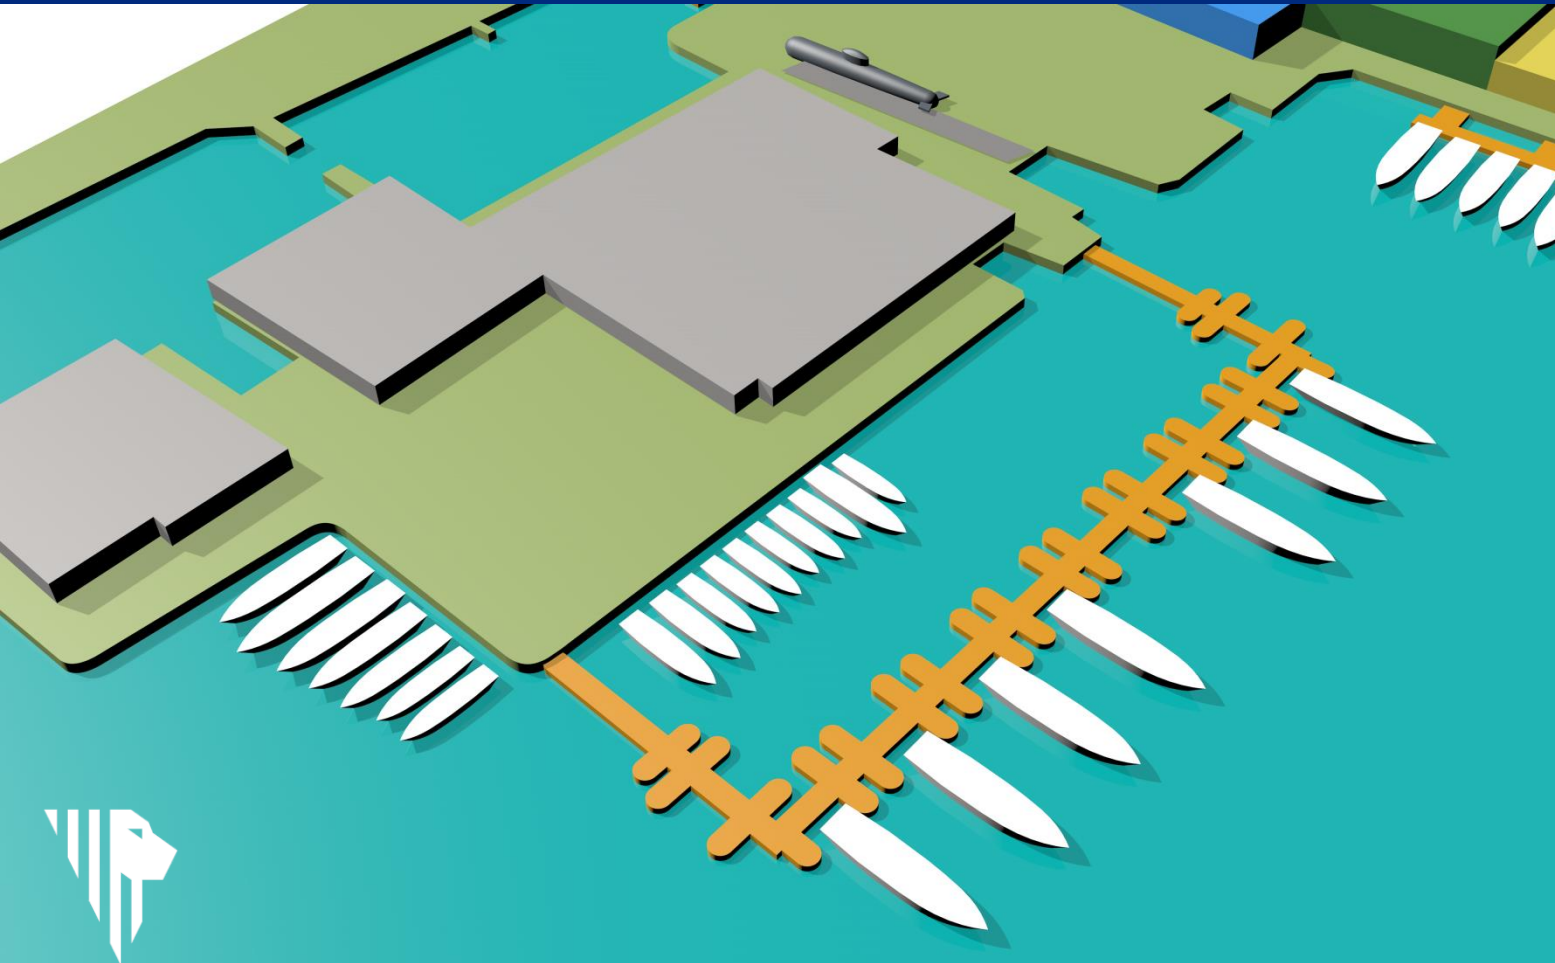

Exhibition in the water basin (Darsena Grande):

Open Air Fair

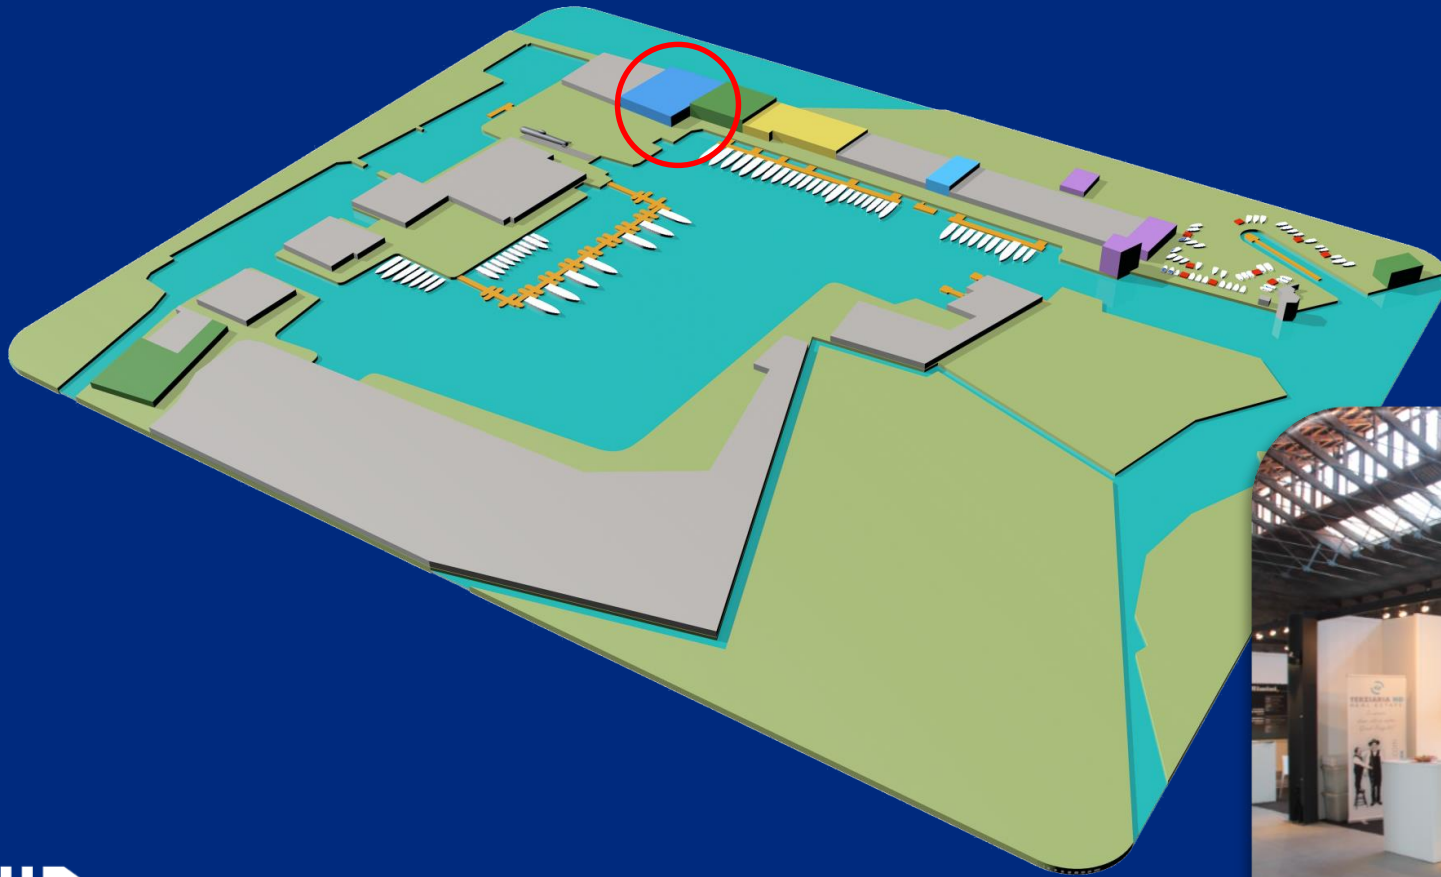

Features:

- Ground exhibition for boats under 10 metres length
- Equipment: electricity, water
- Possibility to set up a reception desk and a hospitality area

Indoor exhibition: Tese delle Nappe

These are three very large adjoining areas with a total of **3.500 sq metres**. They have been fully restored, with a total respect for the original architectural structure, promoting the bright, wide vaults, which are characteristic of the spaces. The construction of these three awe-inspiring areas began in 1525, along the northern wall of the Arsenal during the development of the “Arsenale Novissimo”. Constructed as “water vaults” (aquatic work-sites), they maintained such characteristics, up and until landfiling, begun in 1880.

Indoor exhibition: Tese delle Nappe

Modular stands starting from 6 sq metres up to 128 sq metres.
Equipment: electricity 1,5kw, standard furniture

The other areas:

Restaurants
and bars

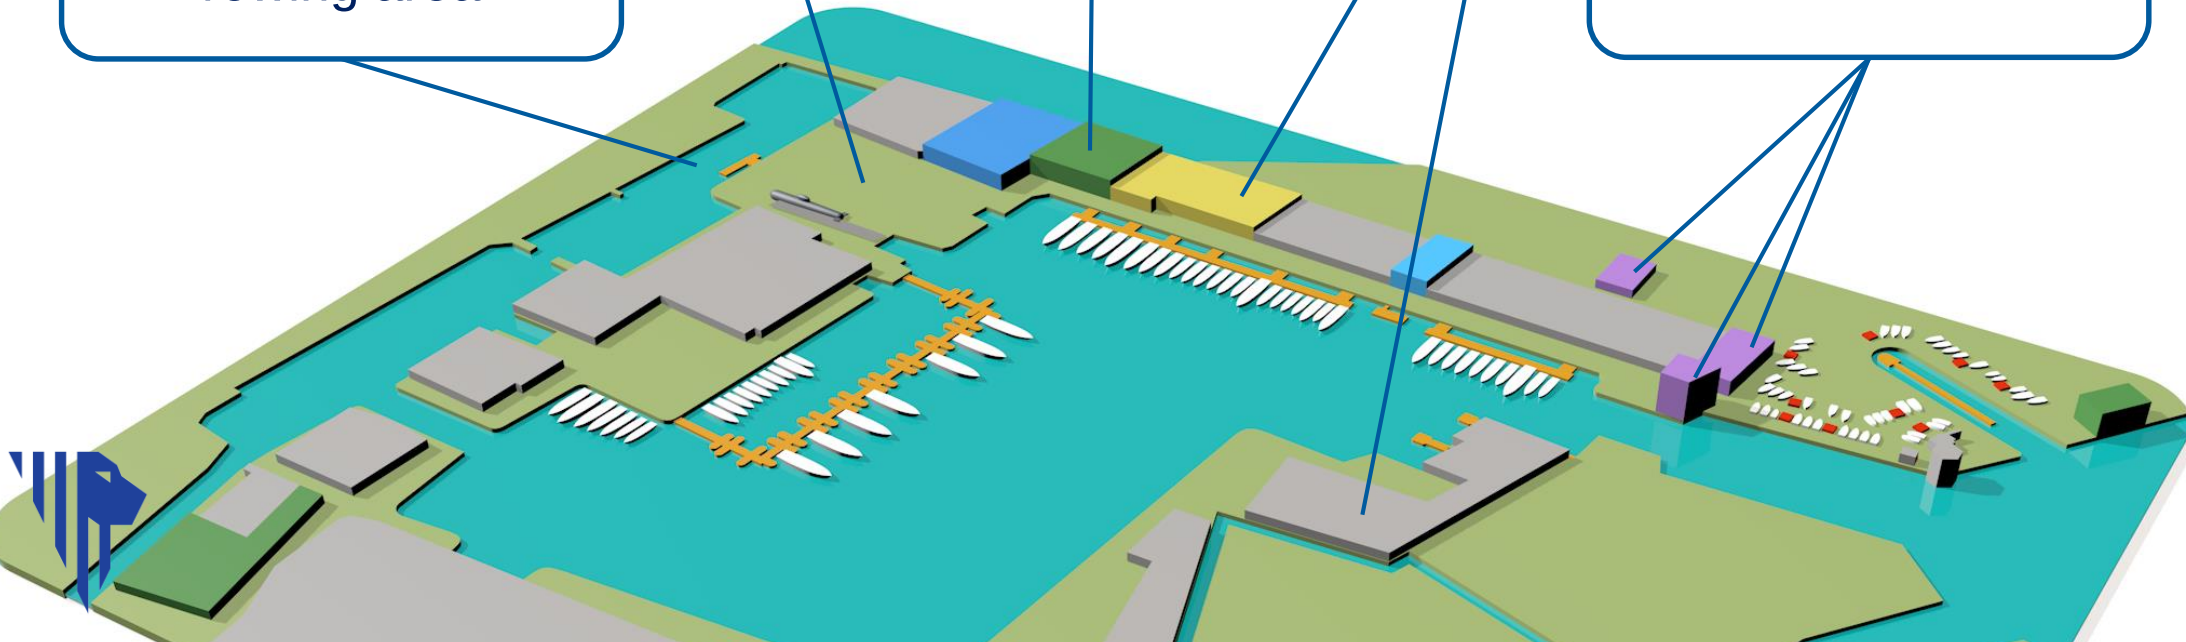

Discovery and
relaxation area
